Re: Laneskin Wood, Cornwall

Thank you for your recent letter of 1<sup>st</sup> March regarding a potential development at Laneskin Wood, the contents of which are noted.

I can confirm that we have received a feasibility study for a project at this location on 3<sup>rd</sup> March. We will give this due consideration in the context of our corporate objectives which are delivering for People, Nature and Economy.

After review and acceptance, of which there is no guarantee, any potential development opportunity would need to go out to public tender and follow the normal planning application process.

Yours sincerely

Chris Hayes

Recreation Business Manager, West England
