

# CARDINHAM PARISH COUNCIL

## MINUTES OF COUNCIL MEETING

**Held at Cardinham Parish Hall on Tuesday 21<sup>st</sup> November 2017**

**Present:** Councillors J Best, K Morris, P Claridge, M Ridgewell, G Rogers, S Smart, P Tucker, T Irwin. County Cllr C Batters and speakers Rachel Beadle, representative for Scott Mann MP, and Steve Foster from the Community Network's Highways Team. There were 5 members of the public present.

The Chair welcomed Rachel Beadle and Steve Foster who had both kindly agreed to attend to speak, listen and answer questions on the issue of speeding in the parish and the possibility of having a lower speed limit, perhaps to 40mph, on rural roads.

There was a good discussion about the issues facing the parish. There were suggestions such as improved signage, slow signs painted on roads and improved quality of the roads which could help in reducing speeds. There is also the issue of enforcement of any speed restrictions, which would be difficult particularly in rural areas and there are drivers that ignore speed limits anyway.

Steve Foster is currently looking into having a 40mph speed limit on Bodmin Moor. There were suggestions for areas where signage could be beneficial. Rachel Beadle has noted all the points raised and will take these back to Scott Mann's Office.

The Chair thanked both speakers for attending and they both then left the meeting.

- Bridleway no 2 – Cllr Batters met with the landowner regarding issues with this bridleway.

- Speeding – Cllr Batters has organized speed checks in other areas and, if Cardinham PC requested it, he could arrange for one to be carried out in Cardinham Parish.

The Chair asked about the sign on the bridge for Launceston/Blisland. It was agreed that the list of outstanding highways items re the A30 would be forwarded to Cllr Batters.

Cllr Batters asked for any requests re his budget to reach him before Christmas.

The Chair thanked Cllr Batters for attending and he then left the meeting.

**212/17 Boundary Commission's proposed changes**

This was discussed and it was agreed that the Parish Council should find out what the other local councils think on this subject. Also find out which other parishes Cardinham would be linked with. The Councillors are concerned about the differences in the needs of rural and urban areas and the different issues that will affect them. They are worried that the urban areas issues will overshadow those of the rural areas and thus receive a disproportionate amount of funding for any issues raised.

**213/17 Tourism Leaflets**

The deadline for receipt of the photographs and text has been given as 30<sup>th</sup> November. It was proposed by Cllr G Rogers, seconded by Cllr P Tucker and agreed that this was not enough time and the clerk is to contact Rosemary Stone to let her know and also to ask what the new deadline will be. The volunteers who will coordinate the preparation of the text and photographs are Cllrs P Claridge, S Smart and T Irwin.

**214/17 Defibrillator**

No further action.

**215/17 Footpaths**

A letter has been received by a concerned member of the public, who was walking with a friend along the public footpaths in the area. They were confronted by a parishioner whose manner was quite aggressive. There is no waymarker on this path. Putting in a waymarker may help in alleviating the confusion as to where the pathway is located and consequently preventing further confrontations. Clerk to reply.

The meeting was suspended to allow the public a chance to speak on this matter. It was noted that this matter of the footpath is in hand with Cornwall Council but if it is a matter of building up the surface it may need to be a capital project. Surface maintenance would be the Council's responsibility. The meeting was resumed.

**216/17 Speeding through the Parish**
