

## **Planning applications considered under the emergency procedures**

**May 2020**

### **PA20/00810/PREAPP**

#### **Cardinham Parish Council response**

PA20/00810/PREAPP Mr P Fleming, Cardinham Chapel, Cardinham, Bodmin, Cornwall PL30 4BN. Pre-application advice for a garage. Case officer J Stoneman.

The following comment was made in support:

- The proposed application seems sensible, in keeping with the surroundings and uncontentious.
- It is out of sight of the crossroads and tucked back away from the front of the chapel.

The following query was raised:

- Shouldn't the garage be in keeping with the chapel?

The majority of Councillors were supportive, with one Councillor declaring an interest.

Note: Due to the restrictions placed on the Council as a result of the COVID 19 (coronavirus) pandemic, this response represents the opinion of Cardinham Parish Council identified through a consultation process and will be ratified at the next appropriate meeting of the Council.
