This was a very interesting and helpful presentation

Speaker: Nicola Sherriff Andersen (The Good Companions Group) speaking on Climate Change.

Cornwall Council is leading the way on this. Last week parliament declared a climate emergency.

The best way to encourage action is to lead by example. Suggestions for ways a Parish Council could encourage participation are:

1. Declare a Climate Emergency – this sends a powerful message
2. Form a Climate/Environment action group
3. Inform and educate the local community
4. Encourage reduction in waste.

County Councillor's Report

Cllr Batters read out his report for 2018/19 which included information about the Airfield Road, Treslea Downs where a neighbourhood watch scheme might be useful to prevent the boy racers that seem to congregate there. Millpool – Nigel Blackmore will look into the issues there. Also, the sign in Millpool needs replacing.

Chairman's report

The Chair read out her report for the year 2018/19, including details on the planning applications that have come before the Parish Council during the year, the successful lottery bid and grant received from Callybarrett Wind Turbine Community Fund.

Finance Report

The clerk provided details of the financial transactions during the year and the financial position of the Council at the end of the financial year 2018/19

There were no further reports.

Parish Matters

The following matters were reported:

1. Sign for the Holy Well has been requested. Parish Council to action. Requested roughly A5 size.
2. A parishioner asked if people could stop using staples on the noticeboards please

There being no further business the meeting was closed at 9.20pm
